[Breaking Through the Generational Barriers](#)

Our Mission

TG will assist and support the genealogical community and those who are seeking their ancestors by providing outstanding, superior and quality research to all who are striving to discover their Family History.

- **How is this accomplished ?**: All of our research agents are qualified area-specific genealogists and record searchers. These research agents are located all over the world and provide us with expert genealogical talent and resources providing you the client with the best possible results.
- **Our Location?**: TG is virtually located in Salt Lake City, Utah , the genealogical capital of the world. We can meet with you at the Family History Library, your home or online, whichever is most convenient for you.
- **Timeless Genealogical Services**: **Seminars or Conferences**: held at your locality or here in Salt Lake City by various hotels; **Lectures**: speakers for a fireside, a genealogical or historical society, a family reunion or organization, or just need help putting one together on power point yourself; **Websites**: Designing a family website where research can be shared with family members; **Family Organizations** : getting one organized and set up, coordinating the research and payments. **Genealogical Assistance**: Need us for an hour, a day or a week, we can work with you side by side with your research. **Ancestral Tours**: Visit the areas where your ancestors lived, we can take you there or assist you with planning one.
- **Timeless Genealogies Products**: **Family Histories and/or Genealogies**: Either assisting you with compiling your own personal family history and genealogy or providing that service for you in a variety of formats. **Charts for Display**: From descendancy to ancestry charts with photos to large circle charts. **Ancestral Biographies**; **Coats of Arms** (design and paint new or known family coats of arms to European heraldic specifications for your family name). **Blazon Interpretation** (take a description of a coat of arms - usually in Latin - and transform that into a coat of arms). **Books and CD's & Software**: A vast collection of over 4000 titles to choose from. **Great Gift Ideas for you or your favorite Genealogist!**
